**Distribution of Student Grants under the
Higher Education Emergency Relief Fund (HEERF II)
Policy and Procedures**

Effective September 29, 2021

Preamble

On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (ARP) (Pub. L. 117-2). The ARP appropriated approximately \$39.6 billion for the Higher Education Emergency Relief Fund (HEERF) and represents the third stream of funding appropriated for HEERF to prevent, prepare for, and respond to coronavirus. Taken together, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) (Pub. L. 116-136), the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) (Pub. L. 116-260), and the ARP represent HEERF I, HEERF II, and HEERF III, respectively.

Proprietary institutions of higher education such as Delaware Learning Institute of Cosmetology (the “Institute”) may apply for HEERF grant funds under the new American Rescue Plan Act of 2021, Proprietary Institution Grant Funds for Students. Awards from the Proprietary Institution Grant Funds for Students program may only be used to provide financial aid grants to students, which may be used for any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. In making such financial aid grants to students, grantee institutions must prioritize grants to students with exceptional need, such as students who receive Pell Grants. However, student grant recipients do not need to be only Pell recipients or students who are eligible for Pell Grants.

As announced by the Secretary, the Institute is to receive \$29,263.00 (the “ARP Grant Fund”) for the purposes of making emergency financial aid grants to its students. This document sets forth the Institute’s plan for allocating, disbursing and accounting for the ARP Grant Fund.

Allocation of ARP Grant Funds Formula

Just as COVID-19 does not discriminate on the basis of socioeconomic status, the Institute recognizes that a wide array of individuals and industries have been adversely impacted by COVID-19. The Institute recognizes that our students’ lives have been severely disrupted by coronavirus. Many are facing financial challenges and struggling to make ends meet.

The total allocation of the ARP Grant Fund will be divided into two equal amounts of \$14,631.50. Every student enrolled at the Institute on April 1, 2021, and who has started training by that date may be eligible to receive a financial aid grant from one-half of the ARP Grant Funds (the “First Award”). Every student enrolled at the Institute on October 1, 2021, and who has started training by that date may be eligible to receive a financial aid grant from one-half of the ARP Grant Funds (the “Second Award”). The amount of each student’s grant award will be based on the following formula, which is intended to prioritize the distribution of student grants to those students who demonstrate exceptional need:

Grants shall be determined based on a Share system. Each eligible student shall be allocated a number of Shares based on the following factors:

Evaluation Factor	Shares
<p><u>Tier 1</u> – Students with an Expected Family Contribution (EFC) equal to 0, <u>AND</u> Students eligible for federal Pell grants with an EFC greater than 0 and whose application for Demonstrated Hardship has been approved</p>	4 Shares
<p><u>Tier 2</u> – Students eligible for federal Pell grants with an EFC greater than 0, <u>AND</u> Students who received proceeds from federal student loans to attend the School and whose application for Demonstrated Hardship has been approved</p>	3 Shares
<p><u>Tier 3</u> - Students who are not eligible for federal Pell grants and who received proceeds from federal student loans to attend the School, <u>AND</u> Students who are not eligible for Federal Pell grants and who did not receive proceeds from federal student loans to attend the School but whose application for Demonstrated Hardship has been approved</p>	2 Shares

The Institution will use information from the student’s most recent Institutional Student Information Record (ISIR) on file to determine the student’s EFC and Pell grant eligibility.

Students enrolled as of April 1, 2021, or October 1, 2021, who did not previously file a Free Application for Federal Student Aid (FAFSA) may choose to file a FAFSA for purposes of grant award calculations to be made pursuant to this plan. The successful completion of the FAFSA will generate an ISIR for the student, and the Institute will use the information from that ISIR for purposes of making grant allocations under this plan. In order for a student’s ISIR to be considered for grant allocation purposes it must be received no later than October 11, 2021, because the Institute will begin allocating grant funds to students on October 12, 2021.

The Institute recognizes that student financial records previously submitted to the Institute are dated and may not reflect a student’s current circumstances. All students, regardless of their Pell status or EFC may submit evidence of Demonstrated Hardship by utilizing the form attached to this plan. The Institute will review the form and supporting documentation provided by the student. The determination of whether a student has made a sufficient showing of Demonstrated Hardship will be in the Institute’s sole discretion, and the Institute’s determination is final. Any student seeking consideration for an additional grant award due to Demonstrated Hardship must submit the Demonstrated Hardship form and supporting documentation on or before October 11,

2021. Students who do not submit the applicable form and supporting documentation by October 11, 2021, will not be considered for an additional grant allocation due to Demonstrated Hardship.

The Institute will begin contacting students about the financial aid grants on or about October 1, 2021. This initial notice will include a brief description of this plan, including information about how students may apply for additional grant award consideration due to Demonstrated Hardship. The form of this initial notice and Demonstrated Hardship Form is included with this plan as Exhibit A.

Awarding Policy & Procedures

The Institute's Director and Financial Aid Administrator will oversee the awarding and eligible student census.

Commencing October 12, 2021, the Institute will prepare a roster of eligible students enrolled as of April 1, 2021, and determine whether they are Tier 1, Tier 2, or Tier 3 per the schedule described above. The Institute will determine the value for 1 Share by dividing (i) one-half of the ARP Grant Fund by (ii) the cumulative number of Shares allocated to all eligible students enrolled on April 1, 2021. Each eligible student's grant award amount will then be determined by multiplying (a) the calculated value of 1 Share by (b) the number of Shares determined for that student.

Commencing October 12, 2021, the Institute will also prepare a roster of eligible students enrolled as of October 1, 2021, and determine whether they are Tier 1, Tier 2, or Tier 3 per the schedule described above. The Institute will determine the value for 1 Share by dividing (i) one-half of the ARP Grant Fund by (ii) the cumulative number of Shares allocated to all eligible students enrolled on October 1, 2021. Each eligible student's grant award amount will then be determined by multiplying (a) the calculated value of 1 Share by (b) the number of Shares determined for that student.

The Institute plans to notify students of their grant award amounts on or about October 15, 2021. Each student grant recipient will receive a grant notification, the form of which is included in the plan as Exhibit B.

Disbursement Procedures

The Institute will make every reasonable effort to contact all eligible students to notify them of the emergency financial aid grant to which they are entitled. Included with the grant notification will be an attestation statement (Exhibit B) to be signed by the student wherein the student shall acknowledge that the emergency grant funds will be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. This grant notice and acknowledgment statement will be distributed to students in person at the Institute or via email to the student's email address on record with the Institute. Students will complete the acknowledgment statement and return a signed copy of the statement to the Institute.

The financial aid grants will be distributed by checks made payable to the students. No grant check will be disbursed to any otherwise eligible student who fails to or refuses to sign the acknowledgment statement. Otherwise eligible students who have not returned the acknowledgment statement to the Institute on or before November 15, 2021 will not be eligible to receive a grant award under this plan.

Eligible students will have the option on how to receive their grant award checks. Students may request to pick up their checks at the Institute, otherwise the Institute will mail the check to the address listed on the student's attestation statement. Students will indicate their choice for receiving the grant checks on their acknowledgement statements. In addition to the emergency grant fund checks, the students will receive an instruction letter from the Institute in the form attached as Exhibit C.

Accounting & Recordkeeping

The Institute's Director and Financial Aid Administrator will be responsible for the administration of the emergency financial aid grants. All disbursements will be overseen by the Director and Financial Aid Administrator.

The Institute will deposit the ARP Grant Fund in a separate dedicated checking account to be used for the sole purposes of administering the emergency student financial aid grants in accordance with Federal law, published guidance from the U.S. Department of Education, and this plan. The Institute will minimize the time between drawing down funds from G5 and paying the student grants to eligible students. In accordance with published Federal guidance, the Institute will disburse the grant funds to students within 15 calendar days of drawing down the funds. The Institute will maintain drawn down grant funds in an interest-bearing account, and any interest earned on all Federal grant funds above \$500 (all Federal grants together) during the Institute's fiscal year will be returned to the Federal government.

The Institute's Director and Financial Aid Administrator are responsible for all accounting and recordkeeping associated with the administration of the student emergency grants. The Director and Financial Aid Administrator shall maintain an Excel spreadsheet to track all disbursements by student. The Director and Financial Aid Administrator shall also be responsible for completing all reports that must be submitted to the U.S. Department of Education as required by ARP and any future guidance from the Department.

The Institute will not charge any indirect or administrative costs to the Grant Fund award as the Grant Fund represents an amount of funds that must be distributed to students.

Grants of Unclaimed Funds

It is the Institute's intention that the entire ARP Grant Fund will be disbursed to all eligible students in the manner described above. However, the Institute recognizes that there may be some amounts allocated to students that do not ultimately get disbursed as intended. For example, it is possible that an eligible student may decline the grant funds or refuse to sign the attestation statement.

In the event that there is any amount remaining from the Grant Fund as of November 30, 2021, the Institute will disburse such remaining funds via additional emergency need-based grants. The Institute will send an email to all eligible students informing them of the availability of additional grants. The email will include an application form to be completed by students seeking to be considered for an additional emergency need-based grant.

A committee consisting of the Institute's President, Director, and Financial Aid Administrator will decide which students shall receive an additional emergency need-based grant and the amount of such grant. The maximum amount of any additional emergency need-based grant shall not exceed \$1,000.00, and there is no minimum dollar amount. The committee will consider the information to be provided on the student's grant application as well as information already on record with the Institute such as the student's dependency status, family size, expected family contribution, unmet financial need, program length, satisfactory academic progress, and expected completion date.

Subject: Student Emergency Relief Grant

Dear Student,

The American Rescue Plan Act of 2021 (ARP) provides emergency assistance for students who are in need of financial support for expenses related to the disruption of campus operations due to the coronavirus pandemic. Under ARP, the Delaware Learning Institute of Cosmetology (the “Institute”) has received grant funding from the U.S. Department of Education for the purpose of making emergency financial aid grants to its students.

Students enrolled at the Institute on April 1, 2021, or on October 1, 2021, may be eligible to receive a financial aid grant from the ARP Grant Funds. The amount of each student’s grant award is based on a formula that considers the student’s expected family contribution and Pell grant eligibility. This formula is intended to prioritize the distribution of student grants to those students who demonstrate exceptional need.

The Institute will use information on record from your Free Application for Federal Student Aid (FAFSA) to allocate financial aid awards to students. If you did not previously file a FAFSA and wish to have the information reported on the FAFSA considered as part of your grant award allocation, then you should file a FAFSA as soon as possible. The Institute will begin the process of allocating grant awards to students on October 12, 2021. Any information from your FAFSA reported to the Institute after October 11, 2021, will not be considered in the grant allocation process. In order for the Institute to receive your FAFSA information by this date, we encourage you to file a FAFSA as soon as possible but no later than October 4, 2021. Please see the Financial Aid Administrator if you have any questions or would like additional information about filing a FAFSA.

As part of the Institute’s student grant allocation formula, students who have recently experienced demonstrated hardship will be allocated a share of grant funds. Demonstrated hardship may include:

- Loss of Employment
- Reduction of Income
- Divorce/Separation
- Unusual Medical/Dental Expenses
- Death of Parent or Spouse

If you believe that you have experienced a demonstrated hardship since the beginning of the COVID-19 pandemic, we encourage you to submit the attached Demonstrated Hardship Form and supporting documentation. The Institute will review your request and inform you of whether your circumstances have been determined to meet the criteria of demonstrated hardship. Any

student seeking consideration for an additional grant award due to Demonstrated Hardship must submit the Demonstrated Hardship form and supporting documentation on or before October 11, 2021. Students who do not submit the applicable form and supporting documentation by October 11, 2021, will not be considered for an additional grant allocation due to Demonstrated Hardship.

The Institute expects to provide students with grant award notices on or about October 15, 2021. In the meantime, please do not hesitate to contact the Financial Aid Administrator if you have any questions regarding the Institute's plan for the allocation and distribution of these emergency student financial aid grants.
